

**Session Program**

**15 October 2013**

**LHC Working Group on Forward Physics and  
Diffraction**

***Physics and hardware session***

CERN, 40/S2-D01 - Salle Dirac

## Tuesday 15 October

14:00

### Physics and hardware session

**Session** | **Location:** CERN, 40/S2-D01 - Salle Dirac**14:00–14:20**   **AFP status****Speaker**

Marco Bruschi

**14:20–14:40**   **gamma gamma quartic anomalous couplings****Speaker**

Matthias Saimpert

**14:40–15:15****Photon and Pomeron exchanges in the soft and hard pA diffraction - who wins?****Speaker**

Mark Strikman

**15:15–15:25**   **Historical note in memory of Gierula****Speaker**

Luebbo von Lindern

18:00
