

Session Program

28 November 2013

Workshop on Machine availability and dependability for post LS1 LHC

INTRODUCTION

CERN, 874-1-11
CERN, 874-1-11

Thursday 28 November

08:30

INTRODUCTION

Session | **Location:** CERN, 874-1-11, CERN, 874-1-11 | **Convener:** Dr Markus Zerlauth

08:30–08:40

Welcome address

Speaker

Frederick Bordry

08:40–08:50

Motivation and goals of Workshop

Speaker

Dr Benjamin Todd

08:50–09:15

Dependability calculations prior to 2008 and operational experience during first LHC run

Speaker

Dr Jan Uythoven

09:15
