

**Session Program**

**10-14 Nov 2014**

**Quarkonium 2014**

***Beyond the Standard Model***

CERN, 222/R-001

# Tuesday 11 November

18:10

## Beyond the Standard Model

Session | Location: CERN, 222/R-001 | Convener: Simon Eidelman

18:10-18:30

### Heavy hadrons in Hidden Valley Models and prospects for detection at the LHC

**Speaker**

Miguel Sanchis Lozano

18:30-18:50

### Production of Stopped Stoppedonium at the LHC

**Speaker**

Thomas Mehen

18:50
