

ESCLAFIT 14

Wednesday 2 July 2014 - Wednesday 9 July 2014

Ca La Xata

Scientific Programme

T01: Higgs Physics

T02: Beyond SM: SUSY and Exotics

T03: Top-quark and ElectroWeak Physics

T04: Flavour Physics, CP violation, CKM matrix et al.

T05: QCD and Hadron Physics

T06: Neutrino Physics

T07: Heavy Ion Physics

T08: Particle Astrophysics and Cosmology

T09: Non perturbative QFT and String Physics

T10: Detectors R&D and performance

T11: Computing and data handling

T12: Future accelerators and facilities

T13: Education & outreach
