

## LTC Extended meeting

Contribution ID: 56

Type: **not specified**

## HWC—where are we?

*Monday, 3 March 2008 09:00 (20 minutes)*

The major non-conformities encountered, the ongoing work, repairs, etc. (PIMs, connection cryostats, coupling between bus-bars, water cooled cables and flexible connections, etc.). The planning for the coming months.

**Presenter:** SABAN, Roberto

**Session Classification:** Session 1 - HWC experience & future plans
