

# 3rd Workshop on Advanced Silicon Radiation Detectors (3D and P-type Technologies)

Contribution ID: 23

Type: **not specified**

## Overview of p-type detectors

*Monday, 14 April 2008 12:00 (30 minutes)*

**Presenter:** Dr CASSE, Gianluigi (University of Liverpool)

**Session Classification:** P-type strip detectors 1

**Track Classification:** Radiation hardness properties of p-type substrate silicon micro-strip detectors: neutron and proton irradiations
