

3rd Workshop on Advanced Silicon Radiation Detectors (3D and P-type Technologies)

Contribution ID: 1

Type: **not specified**

Charge collection in p-type sensors

Monday, 14 April 2008 12:30 (30 minutes)

Data on charge collection on p-type sensors irradiated with protons, pions and neutrons will be presented.

Primary author: HARTMUT, Sadrozinski (SCIPP, UC santa Cruz)

Presenter: HARTMUT, Sadrozinski (SCIPP, UC santa Cruz)

Session Classification: P-type strip detectors 1

Track Classification: Requirements for the experiments and perspective use of planar and 3D technologies at various radii
