

3rd Workshop on Advanced Silicon Radiation Detectors (3D and P-type Technologies)

Contribution ID: 9

Type: **not specified**

Report from CNM activities on 3D detectors

Tuesday, 15 April 2008 16:30 (30 minutes)

I will report on the last results of 3D detector fabrication.

Primary author: PELLEGRINI, Giulio (CNM-IMB)

Presenter: PELLEGRINI, Giulio (CNM-IMB)

Session Classification: 3D Detectors 2

Track Classification: Radiation hardness properties of 3D detectors (results and simulations)
