

Future Circular Collider Study Kickoff Meeting

Thursday 13 February 2014

Session 2b - Hadron physics (Chaired by Tejinder VIRDEE - Imperial College) - MR380 (11:00 - 12:30)

time	[id] title	presenter
11:00	[28] Hadron collider experiments and physics: introduction	GIANOTTI, Fabiola
11:25	[29] Experimental challenges and first ideas about detector layouts	FOURNIER, Daniel
11:50	[30] The physics landscape and opportunities	MANGANO, Michelangelo
12:15	[67] Open discussion
