

2nd Thematic CERN School of Computing

Wednesday 18 June 2014

Programming for Concurrency (09:00 - 11:00)

time	[id] title	presenter
09:00	[35] Modern and performant C++ - Lecture 1	PIPARO, Danilo
10:00	[36] Expressing parallelism pragmatically - Lecture 2	PIPARO, Danilo

Programming for Concurrency (11:45 - 12:45)

time	[id] title	presenter
11:45	[37] Programming for Concurrency - Exercise 1	PIPARO, Danilo

Thursday 19 June 2014

Programming for Concurrency (08:30 - 10:30)

time	[id] title	presenter
08:30	[39] Resource protection and thread safety - Lecture 3	PIPARO, Danilo
09:30	[34] Programming for Concurrency - Parallelism - Exercise 2	PIPARO, Danilo

Programming for Concurrency (11:00 - 12:00)

time	[id] title	presenter
11:00	[50] Programming for Concurrency - Exercise 3	PIPARO, Danilo
