

4th INTERNATIONAL CONFERENCE ON
MPGDs (*MPGD2015*)
@
TRIESTE

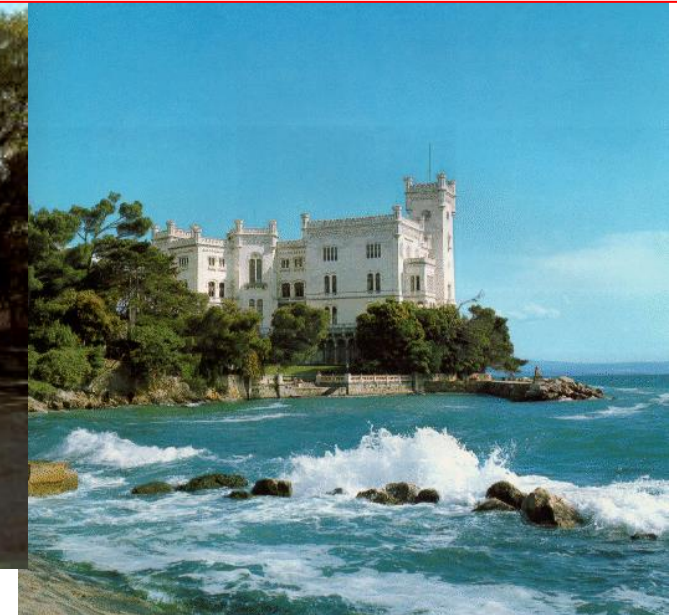

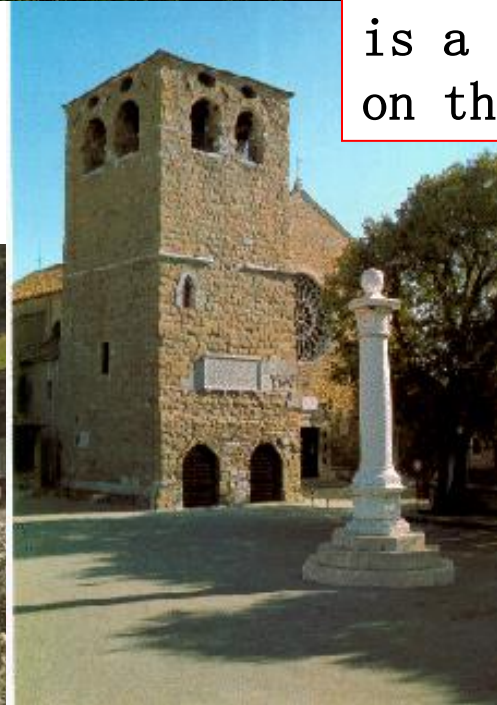

S. Dalla Torre
RD51 Coll. M.
5/2/2014

Hosting Institution: INFN

TRIESTE

Trieste, ~200000 inhabitants, at the East boarder of Italy, is a harbour on the Adriatic see.

 **AREA Science Park**

 **ELETTRA synchrotron radiation facility**

 **ICGEB - International Centre for Genetic Engineering and Biotechnology**

 **ICTP - International Centre for Theoretical Physics**

 **INFN - Istituto Nazionale di Fisica Nucleare (Sezione di Trieste)**

 **Osservatorio Geofisico Sperimentale (Experimental Geophysics Observatory)**

 **Astronomical Observatory of Trieste**

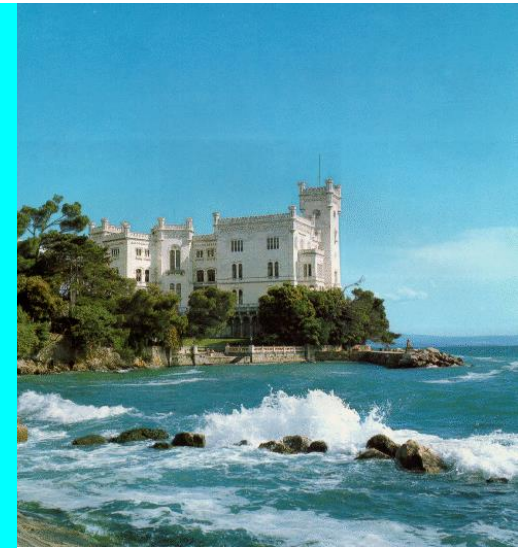

nuclear & subnuclear Physics exp.s:

**AGILE
ALICE
BELLE 2
CDF
CMS
COMPASS
DIRAC
FINUDA
nTOF
PAMELA**

 **SISSA / ISAS - International School for Advanced Studies**

TASC Laboratory (Advanced technologies surfaces and catalysis)

University of Trieste – Department of Physics

Venue:
several options,
all downtown near the see side

Everything within walking distance!
we host 1-2 conferences per year (100-600
participants) with similar formula

- **Hotel accommodation**

- As a base-line we propose “3 stars” hotels in the town center, within walking distance from the Congress Centre. The cost of a single room can be about 80-120 € per night; sharing a double room can result in about 2/3 that cost per person.
- In the center of the town, also three “4 stars” hotels are available (120-160 € per night)
- No transportation to/from hotels is needed.

- **Lunches**

- Catering service at the congress centre, ~ 20 € per meal

- **Dinners**

- free for dinner; in the town center, and particularly near the see, they can found several restaurants with quite diversified offers (from pizza to a full fish dinners).

NOTE: all cost are 2013 evaluation

- **Conference fee**
 - 350 € (reduced to 300 € for students)
 - the conference fee includes:
 - Social programme
 - coffee breaks (twice per day)
 - workshop registration

- **Hosting Institution:**
 - INFN

- Other financial support will be requested to the major international laboratories.

- **How to reach Trieste**

- By **plane**, via Trieste International Airport with direct flights to and from Rome, Milan, Munich, Bari, Belgrade, London.
 - A sharing call transfer service connects the airport to the town centre
- By **train**; the railway station is in the town center.
- By **car**; the motorway net is quite complete with connections to Venice, Vienna, Lubijana.

Social program

- It will include:
 - a welcome drink on the arrival evening
 - a banquet
 - a half a day excursion to Aquileia, to visit the relevant ruins of the Roman harbour installation and the mosaics of the early Christian era

- Every day, within walking distance from the conference venue and the hotels:
 - the town centre and its monuments
 - the Museums
 - the shopping area

DATES

We propose **October**, with arrival on the evening of the second Sunday of the month (10 October 2015). On that day, the well-known regatta “Barcolana”, the largest in the Mediterranean area with respect to the number of participants (more than 1500 sailing boats each year), takes place.

The Colleagues interest can arrive before to enjoy the event, while the hotel prices become cheaper already on the Sunday evening, when the regatta participants and the touristic public leave Trieste. Venice can be reached from Trieste in about 2 hours by train and the participants can consider spending in Venice either the weekend before or after the Conference.
