

Session Program

7 February 2008

Geant4 EM Physics Group Meeting

New validation results

CERN, 32/1-A24

Thursday 7 February

16:00

New validation results

Session | Location: CERN, 32/1-A24

16:00-16:20 Carbon Bragg peak and scattering validation

Speaker

Dr Toshito Toshiyuki

16:20-16:40 Proton Bragg peak and scattering validation

Speaker

Dr Yamashita Tomohiro

16:40-17:00 Results for ion simulation

Speaker

Dr Giovanni Santin

17:00-17:20 New validation results for ion beam

Speaker

Pablo Cirrone

17:20-17:40 Ion ionisation

Speaker

Peter Truscott

17:40-18:00 Status and open problems for proton/ion simulation

Speaker

Prof. Vladimir Ivantchenko

18:00
