

EPS - Technology and Innovation Group - Advanced Radiation Detectors for Industrial Use

Tuesday, 12 November 2013

Topical review talks - "Nullo Baldini" (09:00 - 12:15)

Topical review talks: Review of microelectronics and detectors - "Nullo Baldini" (09:00 - 09:45)

-Conveners: Erik Heijne

Topical review talks: Molecular imaging - "Nullo Baldini" (09:45 - 10:30)

-Conveners: Julia Jungmann

Topical review talks: PET technique and applications - "Nullo Baldini" (10:30 - 11:15)

-Conveners: Dr. Alberto Del Guerra

Topical review talks: Development of Silicon Drift Detectors and recent applications - "Nullo Baldini" (11:30 - 12:15)

-Conveners: Dr. Chiara Guazzoni
