

# Thanks!

When Rolf proposed this, I asked Emmanuel to make sure it was light hearted, funny, with lots of anecdotes and very little technical content.

- Very late one January evening in 1995 the spokesperson of OPAL came to our favourite Chamonix pub (with a 500FF note) to offer us some beers for the “good” LEP performance.

We had all had enough beer, so we said “what about tomorrow night”

Google: “Stuttgart is a traditional little Schwebian town.”

Google: “Stereotypical traits of the Schwebians include being stingy...”

>20 years later, we are still waiting for those beers!!

And he’s still smiling!!

The Schwebian

No comment could do justice to this one!!!

You...You...You...

Paul's wry smile is indescribable

# Most Sincere Thanks to Everyone

- A very Special day: 13<sup>th</sup> day of the 13<sup>th</sup> year AND a FRIDAY!!
- Can't thank any persons by name, as the list would be too long and I would surely omit someone.
- BUT all of you have been incredible; not only today but for large parts of the last  $1.3 \times 10^9$  s

The single person that I must thank, is my dear wife Colette, for putting up with me for all these years

Now let's eat drink and  
be merry
