

Study of the Polarization Deterioration During Physics Stores in RHIC Polarized Proton Runs

Monday 20 October 2014 17:05 (20 minutes)

Author: DUAN, Zhe (institute of high energy physics, Chinese Academy of Sciences)

Co-authors: BAI, Mei (Brookhaven National Laboratory); QIN, Qing (IHEP); ROSER, Thomas (BNL)

Presenter: DUAN, Zhe (institute of high energy physics, Chinese Academy of Sciences)

Session Classification: Parallel-II

Track Classification: S9: Accelerator, Storage and Polarimetry of Polarized Beams
