

**Recent Results of $A_{LL}^{\pi^0}$ Measurements at $\sqrt{s} = 510$ GeV
at Mid-rapidity by PHENIX Experiment and
Resulting Constraint on the Gluon Spin Contribution
to the Proton Spin**

Wednesday 22 October 2014 09:30 (15 minutes)

Author: YOON, Inseok (Seoul National University)

Presenter: YOON, Inseok (Seoul National University)

Session Classification: Parallel-V

Track Classification: S2: Spin Structure of Nucleon (longitudinal)
