Contribution ID: 87 Type: Parallel talk

## Proton Spin Content in Lattice QCD from a Large Momentum Effective Field Theory

Tuesday 21 October 2014 16:00 (15 minutes)

Authors: ZHANG, Jianhui; ZHAO, Yong (University of Maryland); JI, xiangdong (u)

Presenter: ZHAO, Yong (University of Maryland)

Session Classification: Parallel-IV

Track Classification: S2: Spin Structure of Nucleon (longitudinal)
