

# Initial Research of np Scattering with Polarized Deuterium Target at ANKE/COSY

*Monday 20 October 2014 14:50 (25 minutes)*

**Author:** GOU, Boxing (Institute of Modern Physics, Chinese Academy of Sciences)

**Presenter:** GOU, Boxing (Institute of Modern Physics, Chinese Academy of Sciences)

**Session Classification:** Parallel-I

**Track Classification:** S5: Spin in Hadronic Reactions
