

Session Program

1-3 Mar 2006

EGEE User Forum

2b: Data access on the grid

CERN

Thursday 2 March

14:00

2b: Data access on the grid

Session | **Location:** CERN, 40-SS-D01

14:00–14:20

GDSE: A new data source oriented computing element for Grid

Speaker

Dr Giuliano Taffoni

14:20–14:40

Development of gLite Web Service Based Security Components for the ATLAS Metadata Interface

Speaker

Mr Thomas Doherty

14:40–15:00

The AMGA Metadata Service

Speaker

Dr Birger Koblitiz

15:00–15:20

Use of Oracle software in the CERN Grid

Speaker

Bjorn Engsig

15:20–16:00

Discussion

16:00–16:25

break

16:25–16:45

The gLite File Transfer Service

Speaker

Mr Paolo Badino

16:45–17:05

Encrypted Data Storage in EGEE

Speaker

Ákos Frohner

17:05–17:25

Use of the Storage Resource Manager Interface

Speaker

Maarten Litmaath

17:25–17:40

Discussion

17:40–18:00

Space Physics Interactive Data Resource - SPIDR

Speakers

Mr Dmitry Mishin, Dr Mikhail Zhizhin

18:00–18:20

gLibrary: a Multimedia Contents Management System on the grid

Speaker

Dr Tony Calanducci

18:30

18:20-18:30

Discussion
