

4 February 2014

# **Indico Virtual Event**

## **Welcome and Introduction**

# Welcome

- Indico Virtual Events series
- To complement the Indico workshops
- About twice a year
- Open content: contact us to propose
- Recorded and will be made available from the Indico page

# Programme

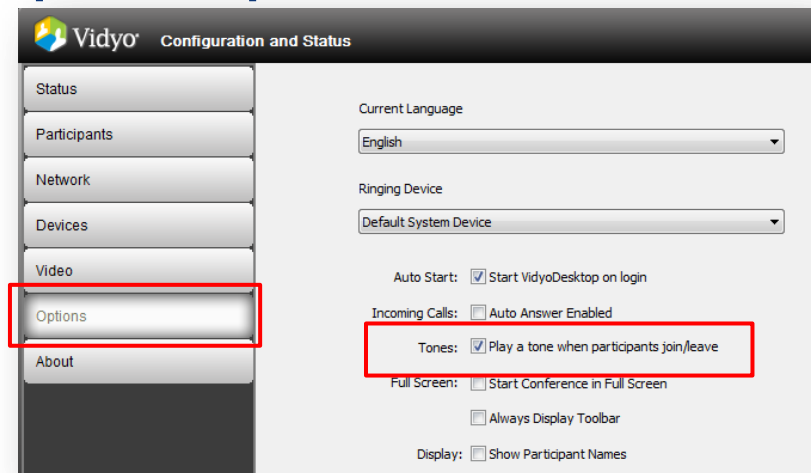

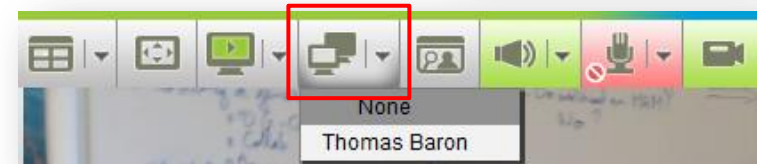

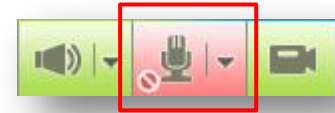

- Indico v1.2 - Jose Benito Gonzalez Lopez (20mn)
- Indico DB project update - Pedro Ferreira (30mn)
- Indico Built-in search plugin - Giorgio Pieretti (15mn)
- Open Discussions
- What's next – Thomas Baron (5mn)
  
- Foreseen end: 16:30-17:00

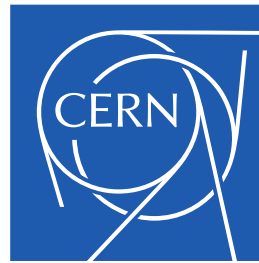

# Format

- Come and Go
  - First half for users, second half for administrators
- Please keep the questions for the end of the presentations

# Vidyo Tips

- Better stay muted when not speaking
- Select the shared content
- Double-click on the content window to separate and enlarge it
- Avoid tone playing on participants joining/leaving
