

Light Meson Dynamics

Monday 10 February 2014 - Wednesday 12 February 2014

Institut für Kernphysik, University of Mainz (JGU)

Scientific Programme

The workshop will have some overview talks on Monday morning and talks on special topics in the afternoon and on Tuesday. We intend to have sufficient time for discussions. On Wednesday morning we also plan a longer round table discussion to discuss the future opportunities in this field, in particular in the context of the second funding period of the Collaborative Research Centre. The workshop ends on Wednesday after lunch.
