

International Symposium on Very High Energy Cosmic Ray Interactions, ISVHECRI 2014

Thursday, 21 August 2014

Hadronic interaction models, PART II - 500/1-001 - Main Auditorium (14:00 - 15:10)

-Conveners: Tanguy Pierog

time	[id] title	presenter
14:00	[92] Theory review on low-x physics, possible saturation, new ideas	STASTO, Anna
14:35	[93] Relation between hadronic interactions and air showers	Dr ULRICH, Ralf Matthias
