

International Symposium on Very High Energy Cosmic Ray Interactions, ISVHECRI 2014

Wednesday, 20 August 2014

Neutrinos and inclusive muons, part II - 500/1-001 - Main Auditorium (14:00 - 15:10)

-Conveners: Michelangelo Mangano

time	[id] title	presenter
14:00	[88] Theoretical aspects of heavy-flavor production at ultra-high cosmic ray energies	GONCALVES, Victor
14:35	[89] Low-x parton densities and high-energy neutrino cross sections	SARCEVIC, Ina
