WLCG SRM v2.2 – Addendum #1

1. This document is an addendum to the WLCG [SRM v2.2 MoU](#) (also referred to as “Usage Agreement”).
2. It details changes in methods, their signatures and / or behaviour required for proper operation of the SRM v2.2 implementations under production conditions.
3. (Once approved by the WLCG Management Board), this document has precedence over the MoU for the described methods and associated behaviour.
