

## **Session Program**

**23-26 Jun 2014**

### **The flavor of Higgs**

#### ***Higgs width and couplings to heavy flavors***

Weizmann Institute of Science, Drory Auditorium  
Israel

## Wednesday 25 June

13:30

### Higgs width and couplings to heavy flavors

**Session** | **Location:** Weizmann Institute of Science, Drory Auditorium, Israel | **Convener:** Jana Schaarschmidt

13:30–14:10

#### Higgs width and heavy flavors - theory

**Speaker**

Adam Falkowski

14:10–14:50

#### Higgs width and heavy flavors - experimental

**Speaker**

Daniela Rebuszi

14:50–15:10

#### Constraints on the Higgs width from off-shell production and decays to Z-boson pairs

**Speaker**

Loic Quertenmont

15:10–15:30

#### Higgs width and heavy flavors - discussion

15:30
