

FLASY 2014 - Fourth workshop on flavour symmetries and consequences in accelerators and cosmology

Tuesday, 17 June 2014

Afternoon Session I - Chair: F. Feruglio - Fulton Building, Lecture Theatre B (13:30 - 15:10)

time	[id] title	presenter
13:30	[43] Towards a common origin of neutrino and dark matter	Dr MORISI, Stefano
13:55	[85] Dark matter experiment	Prof. MONROE, Jocelyn
14:20	[14] Multicomponent dark matter in radiative seesaw model	AOKI, Mayumi
14:45	[53] U(1)' for neutrino mass, dark matter, stability of the electroweak scale	WATANABE, Atsushi
