

FLASY 2014 - Fourth workshop on flavour symmetries and consequences in accelerators and cosmology

Friday 20 June 2014

Morning Session I - Chair: M. Mondragon - Fulton Building, Lecture Theatre B (08:30 - 10:10)

time	[id] title	presenter
08:30	[57] Neutrino Masses and Conformal Electro-Weak Symmetry Breaking	Prof. LINDNER, Manfred
08:55	[44] Neutrino mass textures	Dr TANIMOTO, Morimitsu
09:20	[41] Using neutrino mass sum rules to realistically probe flavour models	Dr MERLE, Alexander
09:45	[21] Gauge anomaly-free U(1) and seesaw models	Dr EMMANUEL-COSTA, David
