 Amphitheater](https://maps.cern.ch/mapsearch/?centerX=2492493¢erY=1121078¢erScale=1500) Video Service: [Join Now!](http://vidyoportal.cern.ch/flex.html?roomdirect.html&key=tbcSyUb1grS1)

09:30-10:00

An efficient platform for sensor data Analytics

Speaker

Mr Mathias Herberts

10:00-10:30

Data Analytics Framework and Technologies at Yandex

Speaker

Mr Alexey Artemov

10:30-10:45

Future Circular Collider Study - Understand the Present to Master the Future

Speaker

Johannes Gutleber

10:45-11:15

Coffee Break

11:15-12:00

Overview of technological architecture of Analytics to discover time relationships and patterns classification.

Speakers

Mr Angelo Tenconi, Mr Maurizio Salusti

12:00-12:30

The Best from two Worlds: The Blue Yonder View on Data Analysis

Speaker

Mr Michael Feindt

12:30
