

Session Program

5 January 2014

Future Prospects in High Energy Physics - Symposium in honor of the 60th birthday of Halina Abramowicz

Session 1

Tel Aviv University, lecture hall of Beit- Hatfutsot
School of Physics and Astronomy, Ramat Aviv, 69978 Tel Aviv, Israel

Sunday 5 January

09:15

Session 1

Session |**Location:** Tel Aviv University, lecture hall of Beit- Hatfutsot, School of Physics and Astronomy, Ramat Aviv, 69978 Tel Aviv, Israel |**Convener:** Aharon Levy

09:15–09:30

Opening

Speaker

David Andelman

09:30–10:00

Physics with Neutrinos at the CERN SPS in the early 1980s

Speaker

Wolf-Dieter Schlatter

10:00–10:30

Neutrino oscillations, today and tomorrow

Speaker

Ewa Rondio

10:30
