

ESIPAP 2014 - Module 1 - Physics of particle and astroparticle detectors

Friday 24 January 2014

Stochastic and statistical aspects: A reminder on probability and statistics (09:00 - 10:30)

-Conveners: Benoit Eric Clement

time	[id] title	presenter
09:00	[12] Lecture 1	CLEMENT, Benoit Eric

Stochastic and statistical aspects: A reminder on probability and statistics (14:00 - 15:30)

-Conveners: Benoit Eric Clement

time	[id] title	presenter
14:00	[13] Lecture 2	CLEMENT, Benoit Eric

Wednesday 29 January 2014

Stochastic and statistical aspects: Multivariate analysis (10:45 - 12:15)

-Conveners: Yann Coadou

time	[id] title	presenter
10:45	[23] Lecture 1	COADOU, Yann

Stochastic and statistical aspects: Multivariate analysis (15:45 - 17:15)

-Conveners: Yann Coadou

time	[id] title	presenter
15:45	[24] Lecture 2	COADOU, Yann

Thursday 30 January 2014

Stochastic and statistical aspects: Boosted decision trees in theory (10:45 - 12:15)

-Conveners: Yann Coadou

time	[id] title	presenter
10:45	[25] Lecture 3	COADOU, Yann

Stochastic and statistical aspects: Boosted decision trees in practice (15:45 - 17:15)

-Conveners: Yann Coadou

time	[id] title	presenter
15:45	[26] Lecture 4	COADOU, Yann
