

## **Session Program**

**19-20 Feb 2014**

# **LHC Working Group on Forward Physics and Diffraction**

## ***Physics II: yellow report***

CERN, 60/6-015 - Room Georges Charpak (Room F)  
40-4-C01 on Wenesday Charpak room on Thursday

# Wednesday 19 February

14:30

## Physics II: yellow report

**Session** |

**Location:** CERN, 60/6-015 - Room Georges Charpak (Room F), 40-4-C01 on Wenesday Charpak room on Thursday

14:30–15:00

### Forward physics and heavy ion program

**Speaker**

Daniel Tapia Takaki

15:00–15:30

### LHCb contributions to the yellow report

**Speakers**

Paula Collins, Dr Ronan McNulty

15:30–16:00

### TOTEM contribution for the yellow report

**Speaker**

Valentina Avati

16:00–16:15

### Chapter 3 status: soft diffraction and total cross section

**Speakers**

Tim Martin, Valentina Avati

16:15–16:35

### Coffee break

16:35–16:50

### Chapter 4 status: inclusive hard diffraction

**Speakers**

Maciej Marek Trzebinski, Dr Marta Ruspa

16:50–17:05

### Chapter 6 status:forward physics

**Speakers**

Cyrille Michel Marquet, Hannes Jung, Jochen Bartels

17:05–17:20

### Chapter 7 status: cosmic ray physics, multiplicities...

**Speaker**

Dr Tanguy Pierog

17:20–17:35

### Chapter 5 status: central exclusive production

**Speakers**

Lucian Harland-Lang, Matthias Saimpert, Oldrich Kepka, Paula Collins

17:35–18:05

### Discussion

19:10
