

Session Program

18-23 May 2014

Blois2014: 26th Rencontres de Blois on "Particle Physics and Cosmology"

The Higgs Boson

Gaston d'Orléans
Château de Blois, Blois, Loire Valley, France

Monday 19 May

14:00

The Higgs Boson

Session | **Location:** Gaston d'Orléans, Château de Blois, Blois, Loire Valley, France | **Convener:** Prof. Jorgen D'Hondt

14:00-14:35 **Decays of the scalar boson into dibosons**

Speaker
Louis Fayard

14:35-15:10 **Higgs searches in fermionic channels**

Speaker
Jim Olsen

15:10-15:45 **Higgs property measurements and future collider prospects**

Speaker
Kyle Cranmer

15:45
