

Session Program

18-23 May 2014

Blois2014: 26th Rencontres de Blois on "Particle Physics and Cosmology"

QCD+EW+Top Physics

Gaston d'Orléans
Château de Blois, Blois, Loire Valley, France

Tuesday 20 May

09:00

QCD+EW+Top Physics

Session | Location: Gaston d'Orléans, Château de Blois, Blois, Loire Valley, France | Convener: Sally Dawson

09:00-09:30 Test of QCD at Colliders

Speaker
Alexander Glazov

09:30-10:00 Status of electroweak physics

Speaker
Slawek Tkaczyk

10:00-10:30

The structure of the proton - Constraints on parton distribution functions from the LHC

Speaker
Maria Ubiali

10:30
