

Session Program

14-16 May 2008

LoopFest VII

Session X

University at Buffalo, 120 Clemens Hall
Buffalo, New York

Friday 16 May

10:30

Session X

Session | Location: University at Buffalo, 120 Clemens Hall, Buffalo, New York

10:30-11:00 **Integral coefficients for one-loop amplitudes**

Speaker

Ruth Britto

11:00-11:30 **One-loop Integral Coefficients from Generalized Unitarity**

Speaker

William Kilgore

11:30-12:00 **Scalar one-loop integrals for QCD**

Speaker

Keith Ellis

12:00-12:15 **The six-photon amplitudes**

Speaker

Christophe Bernicot

12:15
