

**Future directions on heavy-ion physics in the forward region & LHC
Working Group on Forward Physics and Diffraction**

Contribution ID: 38

Type: **not specified**

**Revealing small size components in the nucleon in
the forward pp and pA collisions**

Saturday, 6 September 2014 10:50 (30 minutes)

Presenter: STRIKMAN, Mark (Penn State)

Session Classification: Forward heavy-ion physics session
