

**Session Program**

**3-6 Sept 2014**

**Future directions on heavy-ion physics in the  
forward region & LHC Working Group on  
Forward Physics and Diffraction**

***LHC WG session - part 2***

Lawrence and Kansas City

# Friday 5 September

10:45

## LHC WG session - part 2

**Session** | **Location:** Lawrence and Kansas City | **Convener:** John Ralston

10:45-11:45

### Non-linear QCD dynamics and Wilson lines

**Speaker**

Giovanni A. Chirilli

11:45-12:15

### Exploring the perturbative Pomeron with NLO accuracy: Jet-Gap-Jet Observables

**Speaker**

Martin Hentschinski

12:15
