

## CSC2014 LIST OF PARTICIPANTS

| Family name              | First name        | Institute                                   | City                     | Country            |
|--------------------------|-------------------|---|--------------------------|--------------------|
| <b>Ahn</b>               | Sang Un           | Korea Inst. of Science and Technology Inf.  | Daejeon                  | Korea, Republic of |
| <b>Alatawi</b>           | Mansour Salman    | University of Tabuk                         | Tabuk                    | Saudi Arabia       |
| <b>Anderlini</b>         | Lucio             | INFN e Università                           | Firenze                  | Italy              |
| <b>Aparicio Cotarelo</b> | Borja             | CERN  | Geneva                   | Switzerland        |
| <b>Araque Espinosa</b>   | Juan Pedro        | LIP-Minho                                   | Braga                    | Portugal           |
| <b>Banerjee</b>          | Dipanwitha        | ETH   | Zurich                   | Switzerland        |
| <b>Bannoura</b>          | Arwa              | Bergische Universität                       | Wuppertal                | Germany            |
| <b>Bjelogric</b>         | Sandro            | NIKHEF                                      | Utrecht                  | Netherlands        |
| <b>Brondolin</b>         | Erica             | HEPHY                                       | Vienna                   | Austria            |
| <b>Chao</b>              | Cheng-Hsi         | Academica Sinica Grid Computing Centre      | Taipei                   | Taiwan             |
| <b>Croft</b>             | Vincent Alexander | NIKHEF                                      | Nijmegen                 | Netherlands        |
| <b>Denis</b>             | Marek             | CERN  | Geneva                   | Switzerland        |
| <b>Di Maria</b>          | Riccardo          | University of Bologna                       | Bologna                  | Italy              |
| <b>Fernandez Alvarez</b> | Luis              | CERN  | Geneva                   | Switzerland        |
| <b>Fischer</b>           | Max               | KIT   | Karlsruhe                | Germany            |
| <b>Friese</b>            | Raphael Marius    | KIT   | Karlsruhe                | Germany            |
| <b>Garcia Arza</b>       | Griselda          | CERN  | Geneva                   | Switzerland        |
| <b>Garcia Ferrero</b>    | Juan              | HEPHY                                       | Vienna                   | Austria            |
| <b>Glaser</b>            | Fabian            | University of Göttingen                     | Göttingen                | Germany            |
| <b>Haitz</b>             | Dominik           | KIT   | Karlsruhe                | Germany            |
| <b>Hartmann</b>          | Helvi             | Frankfurt Inst. for Advanced Studies        | Frankfurt                | Germany            |
| <b>Haseitl</b>           | Rainer            | GSI   | Darmstadt                | Germany            |
| <b>Jovicevic</b>         | Jelena            | CERN  | Geneva                   | Switzerland        |
| <b>Kalogeropoulos</b>    | Anastasios        | CERN  | Geneva                   | Switzerland        |
| <b>Kouzinopoulos</b>     | Charalampos       | CERN  | Geneva                   | Switzerland        |
| <b>Kowalewska</b>        | Anna Bozena       | H. Niewodniczański Inst. of Nuclear Physics | Cracow                   | Poland             |
| <b>Kuehn</b>             | Eileen            | KIT   | Eggenstein-Leopoldshafen | Germany            |
| <b>LécZ</b>              | Zsolt             | ELI-ALPS                                    | Szeged                   | Hungary            |
| <b>Linares Garcia</b>    | Luis Emiro        | Universidad de los Andes                    | Bogotá D.C.              | Colombia           |
| <b>Lionetto</b>          | Federica          | University of Zurich                        | Zurich                   | Switzerland        |
| <b>Mari Romero</b>       | Antonio           | Polytechnic University                      | Valencia                 | Spain              |
| <b>Martina</b>           | Stefano           | CERN  | Geneva                   | Switzerland        |
| <b>Miliou</b>            | Ioanna            | National Tech. University                   | Athens                   | Greece             |
| <b>Mohamed</b>           | Hristo            | CERN  | Geneva                   | Switzerland        |
| <b>Niedziela</b>         | Jeremi            | CERN  | Geneva                   | Switzerland        |
| <b>Nieke</b>             | Christian         | CERN  | Geneva                   | Switzerland        |

| <b>Family name</b>    | <b>First name</b> | <b>Institute</b>                           | <b>City</b>            | <b>Country</b>     |
|-----------------------|-------------------|--|------------------------|--------------------|
| <b>Nikodem</b>        | Thomas            | Physikalisches Institut                    | Heidelberg             | Germany            |
| <b>Otto</b>           | Adam Jedrzej      | CERN                                       | Geneva                 | Switzerland        |
| <b>Pék</b>            | János Dániel      | CERN                                       | Geneva                 | Switzerland        |
