

Run 1 legacy performance: LHCb

Monday 11 August 2014 11:50 (15 minutes)

In this talk, the performance of the LHCb experiment during the LHC run 1 will be exposed. A special emphasis will be put on what worked better or worse than planned, and the lessons learnt for run 2.

Presenter: GRAZIANI, Giacomo (Universita e INFN (IT))

Session Classification: LHC Run 1 Legacy
