

The 13th International Workshop on Tau Lepton Physics

Aachen, Germany, 15-19 September, 2014

All guests are requested to register at the registration desk upon arrival

Guests should receive a conference bag and a name badge.

In the conference bag there is a report on RWTH from 2012. This report was specifically picked because it covers RWTH-Aachen's contribution to the Higgs discovery.

For those of you who have paid in advance your receipt will be ready

For some of the people who have paid, we may not have received confirmation from the University Account. Therefore, we ask that you have your receipt available if required.

**For those of you who have not paid, you are kindly
request to do so now.**

All speakers are request to upload their talks to Indico well in advance...

To upload your talk, you are required to login using your CERN account.

For those of you who do not have one, you should have received an email to register for the CERN Indico.

We are also able to upload your talk for you in the break if your require help.

The time allotted for the talks includes presentation + discussion

WiFi Instructions

The RWTH Aachen wireless access points provide you with an "eduroam" and a "mops" (SSID) network.

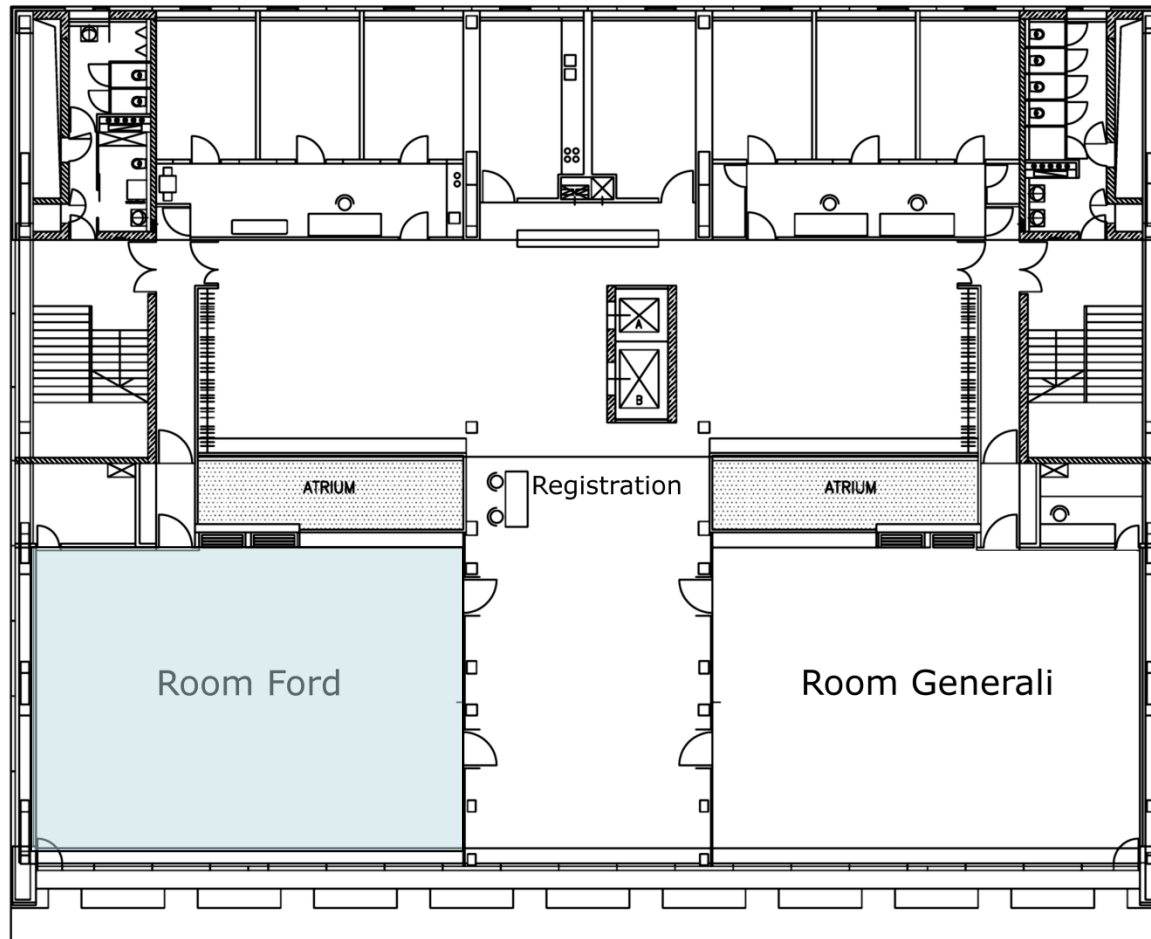

In case you have an Eduroam account from your university or lab, please use this network, which is encrypted.

Otherwise use the mops (MOBILE Professors and Students) guest network. To connect, open your browser and try to connect to an arbitrary URL. You will be redirected to the mops welcome page which is available in German and English. Follow the instructions for a "Guest Login" and enter the conference loginID: Tau and shared password silura.

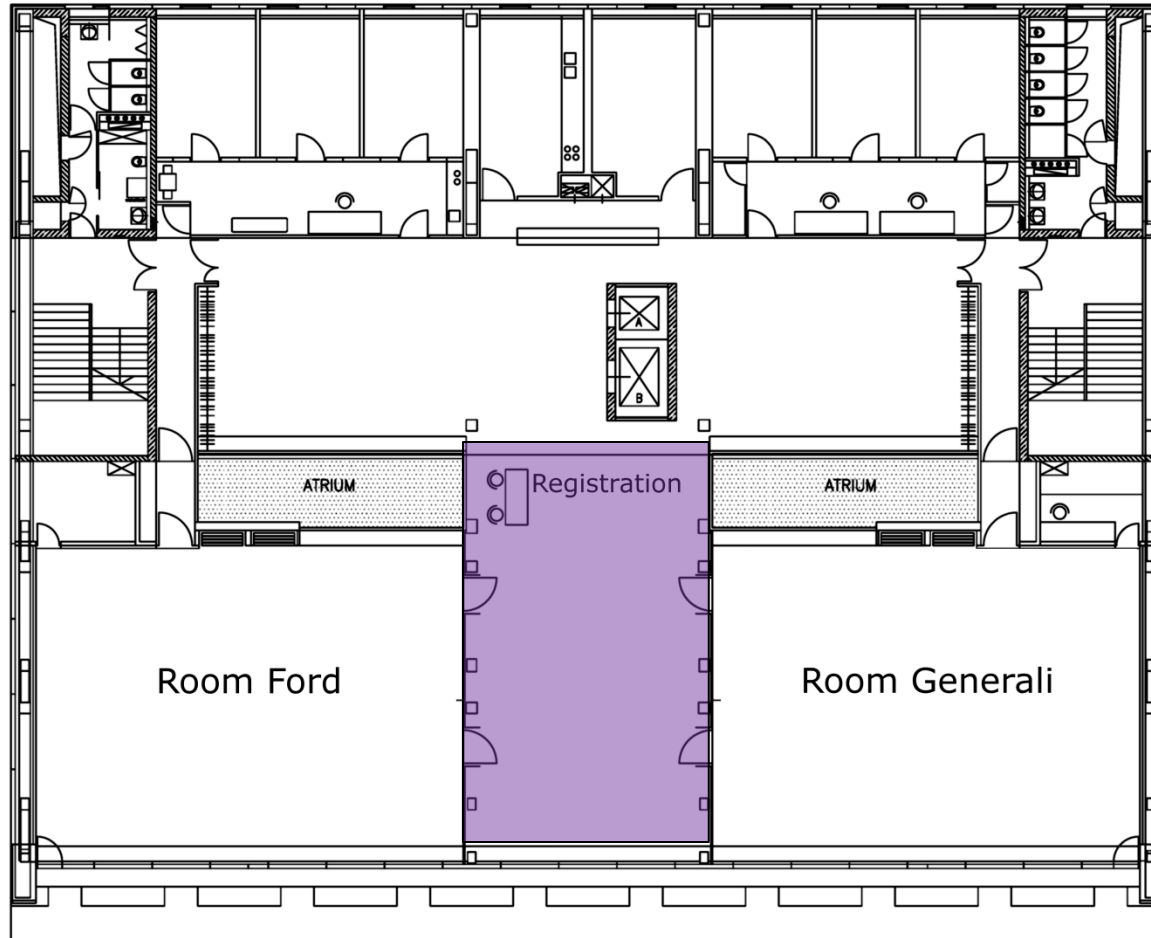

Please note that the connection is not encrypted, therefore please use secure protocols or a VPN on top.

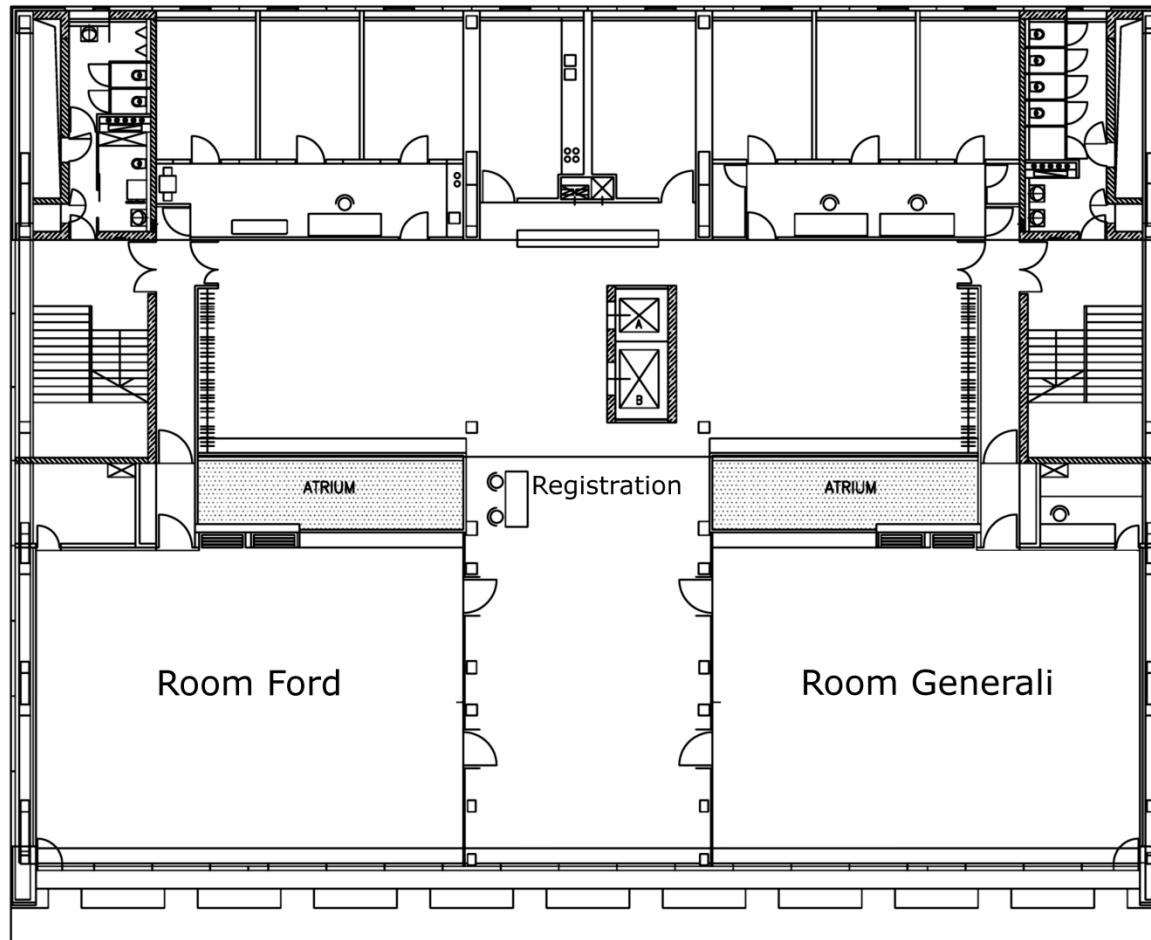

Ford Room: will be open for guest to work in for duration of conference with a video link so people can listen to the talks.

Poster Session: Tuesday 18:00

Tea and Coffee: Will be held in the lobby outside the conference rooms.
Please do not bring food or drinks into the room.

For those who will leave directly from the conference there is a luggage check available
Please do not leave you belongings unattended.
