NuFact 15

in CBPF, Rio de Janeiro

Dates: August 10 - 15 2015 (tentative)

Location: CBPF is located in the Urca neighborhood in a a walking distance from Sugar Loaf and close to Copacabana beach. Several bus lines I n the areaand a subway station nearby has connection to CBPF. Major shopping malls adjacent to CBPF offer restaurants, movie theaters, a gym, cafes and shopping areas.

Financial support: we are applying to federal and state agencies (CNPq, CAPEs, FAPERJ) as well as from CBPF.

Cost estimation: hotels

Hotels rates depend on the hotel level and dates.

We will negotiate with hotels to get a better corporate rate.

For reasonable hotels in a convenient location and based in our recent Experience we have hotel rates around US\$ 150.00 a day single occupancy. Double occupancy costs just a little bit higher, around US\$ 180.

Many options in Rio in a wide spectrum of price.

Cost estimation: meals

Many options around CBPF. A reasonable meal can cost something between US\$ 7 to US\$ 10. CBPF restaurant has a lower price than the restaurants in the shopping mall. The University next door has also a reasonably priced restaurant.
