

# **VERTEX2014: The 23rd International Workshop on Vertex Detectors**

**Monday, September 15, 2014 - Friday, September 19, 2014**

**Macha Lake, The Czech Republic**

## **Scientific Program**

**Operation, performance, issues of current experiments**

**Detectors in Preparation**

**Vertexing at Future Accelerators**

**Radiation Hardness**

**Non-HEP applications**

**R&D and Detector Simulations**

**Vertexing and tracking methods**

**Electronics and Integration, Triggering**

**Summary**

**Poster Session**
