

X Workshop on Particle Correlations and Femtoscopy WPCF 2014

Monday, 25 August 2014

Session 3 - Diffraction: Chair: Wojciech Broniowski - Lecture Hall 5 (14:00 - 15:30)

time	[id] title	presenter
14:00	[33] Multiple diffraction theory of elastic pp scattering, with applications to 7 TeV pp data from LHC	Prof. GLAUBER, Roy J.
14:30	[34] Overview of TOTEM results on total cross-section, elastic scattering and diffraction at LHC	GIANI, Simone
15:00	[35] Cross sections and final states in diffractive excitation	GUSTAFSON, Gosta
