

# The 5th Asian Triangle Heavy Ion Conference (ATHIC2014)

## Wednesday, 6 August 2014

### Jets - Large Conference Room (14:00 - 16:00)

time	[id] title	presenter
14:00	[54] Jet azimuthal distributions with high $p_{\text{T}}$ neutral pion triggers in pp collisions at $\sqrt{s} = 7$ TeV from LHC-ALICE	WATANABE, Daisuke
14:20	[52] Neutral pion analysis with high energy photon trigger in pp collisions at 8TeV	YANO, Satoshi
14:40	[72] Medium modification of jet shapes in heavy-ion collisions	Mr CHEN, Shi-Yong
15:00	[22] Momentum flow in dijet+QGP-fluid system	TACHIBANA, Yasuki
15:20	[41] Two-particle correlations between neutral pions and charged hadrons in pp and Pb-Pb collisions with ALICE at the LHC	ZHOU, Daicui
15:40	[17] Heavy-flavour correlations in pp, p-Pb and Pb-Pb collisions with ALICE	KUMAR, Jitendra
