

Session Program

21-23 May 2014

TOP LHC WG meeting

Top pair modelling

CERN, 4/3-006 - TH Conference Room

Thursday 22 May

11:00

Top pair modelling

Session | **Location:** CERN, 4/3-006 - TH Conference Room

11:00–11:45 **$t\bar{t}$ modelling uncertainties and further questions to theory**

Speakers

Carmen Diez Pardos, Liza Mijovic

11:45–12:00 **Issues in the top pt distribution in ME+PS and NLO+PS**

Speaker

Paolo Nason

12:00–12:30
A POWHEG generator for top production including exact spin correlations and radiation in decay

Speaker

Paolo Nason

12:30
