

Session Program

21-23 May 2014

TOP LHC WG meeting

Top mass: systematic errors I

CERN, 4/3-006 - TH Conference Room

Wednesday 21 May

11:00

Top mass: systematic errors I

Session | Location: CERN, 4/3-006 - TH Conference Room

11:00-11:30

Colour Reconnection and top mass dependence on kinematic variables

Speaker

Pedro Vieira De Castro Ferreira Da Silva

11:30-12:00

Hadronisation and radiation systematics and b-fragmentation

Speaker

Tancredi Carli

12:00-12:30

Hadronization systematics on the top mass

Speaker

Gennaro Corcella

12:30
