

Session Program

21-23 May 2014

TOP LHC WG meeting

Top mass: introduction session

CERN, 4/3-006 - TH Conference Room

Wednesday 21 May

09:00

Top mass: introduction session

Session | **Location:** CERN, 4/3-006 - TH Conference Room

09:00–09:20

Introduction to top mass miniworkshop and TOPLHCWG open session

Speakers

Dr Maria Jose Costa, Michelangelo Mangano, Roberto Chierici

09:20–09:55

Report on the first top mass World Average

Speaker

Oleg Brandt

09:55–10:30

New results on m_{top} , M_{Sbar} mass and differential cross sections

Speakers

Matthew Dowling, S. Moch

10:30
