

Session Program

21-23 May 2014

TOP LHC WG meeting

Single top II

CERN, 4/3-006 - TH Conference Room

Friday 23 May

09:00

Single top II

Session | **Location:** CERN, 4/3-006 - TH Conference Room

09:00–09:30

t-channel modelling uncertainties and further questions to TH and new fiducial measurements

Speaker

Jose Enrique Garcia Navarro

09:30–09:50

Discussion on single top reference cross section

Speaker

Dominic Hirschbuehl

09:50–10:30

Theory proposal for reference single top cross section measurements

Speaker

Rikkert Frederix

10:30
