**Subject: Contract No. IST-2004- 027749 Project Health-e-Child
Outcome of Second Periodic Review held in Brussels on 13-14th March 2008**

Dear Mr. Freund,

I refer to the second periodic review of Health-e-Child project which was held in Brussels on 13th and 14th March 2008. The review report, giving in full the findings of the review session, is enclosed.

In view of the above, the Commission considers that the consortium is performing satisfactorily and that the project can continue by taking into account the comments given by the reviewers in paragraph 10 of the report.

In their consensus report, the reviewers recommend that the project *should continue without modifications*.

The Commission is in agreement with this recommendation providing that an acceptable and updated DoW with a detailed implementation plan for the next 18 months (M25 – M42) is submitted to the EC services within 45 days from the date of this letter. The revised DoW should also include the comments given to the project during the review meeting.

Please acknowledge receipt of this letter and inform your partners of its content.

Yours sincerely,

Alessandra Martini
Project Officer
