

Session Program

14-17 Oct 2008

CLIC08 Workshop

Common Session (Main & Drive Beam Dynamics) (Instrumentation)

CERN, 500/1-001 - Main Auditorium

Wednesday 15 October

10:30

Common Session (Main & Drive Beam Dynamics) (Instrumentation)

Session | Location: CERN, 40-S2-C01

10:30-11:00 **Overview of CLIC instrumentation requirements**

Speaker
Thibaut Lefevre

11:00-11:10 **Discussion**

11:10-11:40 **Overview of ILC instrumentation**

Speaker
Marc Ross

11:40-11:50 **Discussion**

11:50-12:20

LHC Beam Instrumentation : The Experience of Large Scale Beam Instrumentation Design, Manufacture, Test and Installation

Speaker
Rhodri Jones

12:20-12:30 **Discussion**

12:30-14:00 **Lunch break**

14:00
