

Session Program

14-17 Oct 2008

CLIC08 Workshop

***Common Session (Instrumentation) (Main &
Drive Beam Dynamics) (RF Structures &
Sources)***

CERN, 500/1-001 - Main Auditorium

Wednesday 15 October

08:30

Common Session (Instrumentation) (Main & Drive Beam Dynamics) (RF Structures & Sources)

Session | Location: CERN, 503/1-001 - Council Chamber

08:30-08:50

Beam Dynamics Requirement for RF and Instrumentation: Main Linac Beam Dynamics

Speaker

Daniel Schulte

08:50-09:00

Discussion

09:00-09:20

Beam Dynamics Requirement for RF and Instrumentation: Drive Beam Dynamics

Speaker

Erik Adli

09:20-09:30

Discussion

09:30-09:50

Beam Dynamics Requirement for RF and Instrumentation: Phase Stability Requirements

Speaker

Daniel Schulte

09:50-10:00

Discussion

10:00-10:30

Coffee break

10:30
